

Bromotase

[BROMELAIN / CRYSTALLINE TRYPSIN]

Tablets

(20,000 Units / 2,500 Units)
(50mg / 1mg)

QUALITATIVE AND QUANTITATIVE COMPOSITION:

BROMOTASE (Bromelain / Crystalline Trypsin) is available for oral administration as:

BROMOTASE Tablets

Each enteric coated tablet contains:

Bromelain..... 20,000 Units (50mg)

Crystalline Trypsin..... 2,500 USP Units (1mg)

CLINICAL PHARMACOLOGY:

Bromelain and Trypsin are proteolytic enzymes, which catalyzed the hydrolysis of proteins polypeptides, amides and esters at bonds involving the carboxyl group of L-arginine and L-Lysine, it is therefore used for the removal of coagulated blood, exudates and necrotic tissue. Bromelain has also been suggested to have spasmolytic effects.

INDICATIONS:

BROMOTASE is indicated as an adjunct in the treatment of soft tissue inflammation and edema associated with trauma and surgery such as in gynaecological conditions, breast engorgement, fractures, sprains, injuries, hemorrhoid, anal prolapse and other inflammatory conditions where anti-inflammatory enzyme preparations are indicated.

DOSAGE AND ADMINISTRATION:

Initially 2 tablets 3 times daily. For maintenance 1 tablet 3 times daily preferably before meals.

CONTRAINDICATIONS:

BROMOTASE tablets are contraindicated in patients with known history of hypersensitivity.

PRECAUTIONS:

Use with care in patients with bleeding / clotting disorders, with impaired renal and / or hepatic function and in patients on anti-coagulant therapy. Inform your doctor in case of any adverse reactions related to drug.

Pregnancy & Lactation:

Not recommended for use during pregnancy & lactation.

ADVERSE REACTIONS:

Enzyme preparations are generally well tolerated. Side effects are mild and infrequent. Reported adverse reactions are nausea, vomiting, diarrhoea, fever, skin rash and asthma. Menorrhagia has occasionally occurred.

DRUG INTERACTIONS:

Not reported.

INSTRUCTIONS:

- Store below 30°C.
- Protect from light & moisture.
- Keep out of reach of children.

To be sold on prescription of a registered medical practitioner only.
